This term we are teaching Phase 2

- These are the first group of letters and sounds your child will learn.
- For most children, we start teaching from the first full week of Reception.
- The lessons are fun, interactive, engaging and have been designed to gradually build over time.
- Some children will be having a more bespoke phonic lesson experience, using Little Wandle's SEN programme. We will speak to you more about this if relevant.

We teach Phase 2 in this order

Our progression

Little Wandle Letters and Sounds Revised 2021: Programme progression

Reception and Year 1 overviews

This programme overview shows the progression of GPCs and tricky words that we teach term-by-term. The progression has been organised so that children are taught from the simple to more complex GPCs, as well as taking into account the frequency of their occurrence in the most commonly encountered words. All the graphemes taught are practised in words, sentences, and later on, in fully decodable books. Children review and revise GPCs and words, daily, weekly and across terms and years, in order to move this knowledge into their long term memory.

Children need to learn to read as quickly as reasonably possible, so they can move from learning to read, to reading to learn, giving them access to the treasure house of reading. Our expectations of progression are aspirational yet achievable if schools maintain pace, practice and participation by all children. Children who are not keeping-up with their peers should be given additional practice immediately through keep-up sessions.

How we make learning stick

Reading and spelling

Spelling

- Your child will be taught how to spell simple words, using the graphemes they have been taught.
- They will practise the correct formation of letters. They will also have handwriting lessons.

How do we teach spelling?

- Say the word.
- Segment the sounds.
- Count the sounds.
- Write them down.

How do we practise reading in books?

Reading practice sessions are:

- timetabled three times a week
- taught by a trained teacher/teaching assistant
- taught in small groups

How do we find the right book for your child?

Reading at home

Books going home

Listening to your child read their phonics book

- Your child should be able to read their book without your help.
- They might sound out words and blend them before they read them fluently.
- If they can't read a word, read it to them.
- Talk about the book and celebrate success.

Reading a wordless books

Wordless books are invaluable as they teach reading behaviours and early reading skills to children who are not blending – yet!

- Talk about the pictures.
- Point to the images in the circles and find them on the page.
- Encourage your child to make links from the book to their experiences.

If looking at a PDF version of this presentation - videos can be found under 'For Parents' section of the Little Wandle Website.

Read to your child

The shared book is for **YOU** to read:

- Make the story sound as exciting as you can by changing your voice.
- Talk with your child as much as you can:
 - Introduce new and exciting language.
 - Encourage your child to use new vocabulary.
 - Make up sentences together.
 - Find different words to use.
 - Describe things you see.

The most important thing you can do is read with your child

Reading a book and chatting has a positive impact a year later on children's ability to...

- understand words and sentences
- use a wide range of vocabulary
- develop listening comprehension skills.

The amount of books children were exposed to by age 6 was a positive predictor of their reading ability two years later.

Other ways to help at home

- Do the phonics homework that is sent home each week.
- Play oral blending games.
- Use the resources sent home today and from the teachers, e.g. use the handwriting phrases when doing writing at home.
- Consider purchasing Little Wandle cards from Amazon.
- Avoid using letter names at this stage – this will come later.
- Look at the '[For Parents](#)' section on the Little Wandle website.
